

# Federal Emergency Management Agency

Washington, D.C. 20472

June 18, 2010

The Honorable William Finch  
Mayor, City of Bridgeport  
City Hall Annex  
999 Broad Street  
Bridgeport, Connecticut 06604

Case No: 06-01-B043V  
Community: City of Bridgeport  
Fairfield County, Connecticut  
Community No.: 090002  
Effective Date: June 19, 2010  
LOMC-VALID

Dear Mayor Finch:

This letter revalidates the determinations for properties and/or structures in the referenced community as described in the Letters of Map Change (LOMCs) previously issued by the Department of Homeland Security's Federal Emergency Management Agency (FEMA) on the dates listed on the enclosed table. As of the effective date shown above, these LOMCs will revise the effective National Flood Insurance Program (NFIP) map dated June 18, 2010 for the referenced community, and will remain in effect until superseded by a revision to the NFIP map panel on which the property is located. The FEMA case number, property identifier, NFIP map panel number, and current flood insurance zone for the revalidated LOMCs are listed on the enclosed table.

Because these LOMCs will not be printed or distributed to primary map users, such as local insurance agents and mortgage lenders, your community will serve as a repository for this new data. We encourage you to disseminate the information reflected by this letter throughout your community so that interested persons, such as property owners, local insurance agents, and mortgage lenders, may benefit from the information.

For information relating to LOMCs not listed on the enclosed table or to obtain copies of previously issued LOMR-Fs and LOMAs, if needed, please contact our FEMA Map Information eXchange (FMIX), toll free, at 1-877-FEMA-MAP (1-877-336-2627).

Sincerely,

Kevin C. Long, Acting Chief  
Engineering Management Branch  
Mitigation Directorate

Enclosure
